Dear Mr. Angel,

Thank you and the other members of the Christian Golf Club of Central California, for your generous donation of \$750.00 to Hinds Hospice. Your support helps us meet the needs of our patients who are suffering life-limiting illnesses. At the same time, we are better able to continue to provide the emotional support necessary to sustain the patient's loved ones during this difficult time.

In 2002, we began a program called "Angel Babies" that extends our services to expectant mothers who learn their pregnancies won't have the happy endings they'd anticipated. We are offering to these moms and their loved ones, services of a genetic counselor, in addition to our nurses, bereavement counselors and chaplains.

In another program begun in 2002, we're reaching out to the rural poor with bereavement services. We are providing these services to people in rural communities for whom the trip into Fresno is prohibitive. Our counselors train residents of rural communities to provide services they might not otherwise receive.

We are happy to share that these programs have been well received and we are continuing to provide them in 2003. We will also continue our hospice work with inmates at Central California Women's Facility in Chowchilla.

We appreciate your thinking of us. Please be assured your gift will help support our programs and services.

Bless you for your caring heart!
Nancy

Sincerely,

Lin Davis
