Format will be 2 best net scores per hole out of the team's four balls; except 3 best balls on holes 9 & 18.

Calculate your two best scores and write in your score vs. par on each hole. Example: 2 players make bogey and they each get a stroke on that hole, the other two players make double bogey, then two best scores = even par. Mark 0 on your scorecard. If two players make par on a hole, and one of them gets two strokes, and the other gets one stroke then -3. Play hard on holes 9 & 18. Sometimes a double bogey is a good score on a hole when 3 balls count!

Prizes for the two best teams + low gross & low net. Only one prize per player.

Team 1 \$30 Gift Cert.

Team 4 \$20 GC

Low Gross - Bill Horg \$20 GC

Low Net - Chls. McClung \$20 GC note: Charles won because other lower nets won team prize.
